

CREATIVE WORKSHOPS

CURATED BRISSTYLE HOSTED WORKSHOPS
FOR CHILDREN AND ADULTS

2021

Who ARE WE?

BRISSTYLE INC.

We are a not for profit, incorporated community of creative people who call Queensland and Northern New South Wales home.

Formed in March 2008 when a small group of Brisbane Etsy sellers got together for tea, cake and creative conversation and has since grown to a large creative collective of members, all of whom understand that shiver of excitement that comes from producing handmade goods.

We host over 100 events per year including markets, craft workshops, creative business development sessions and more. We are passionate about promoting Handmade and passing on age-old craft techniques that would otherwise be lost.

We have worked with hundreds of venues over the years and taught thousands of participants new skills and we look forward to teaching many more in the coming years!

BrisStyle Aims To:

Support

Our creative community

Create

Opportunities for our members

Promote

Handmade

Activate

Creativity

Strengthen

Our community

I have been involved with BrisStyle for many years as a workshop facilitator and market stall holder. Their experience in organising markets and other events is unprecedented. BrisStyle has over the years become a large, friendly community of well-connected creatives, with a diverse range of members. I have had many wonderful opportunities through my relationship with BrisStyle and had the chance to work in many different situations and gain great experience that I may not otherwise have had.

Kate Jefferay - My Aunty Anna

CHILDREN'S WORKSHOPS

What

DO WE OFFER?

We are an industry leader in providing facilitated creative workshops to children from 3 years old. Showcasing creatives from the South East QLD region, BrisStyle employs a host of facilitators that are skilled in a vast array of disciplines to teach a range of age-old crafts and life long learning skills to children.

All our facilitators are current Queensland Blue Card holders and have First Aid and CPR accreditation and are well trained in working with children and parents from various cultures.

We are able to teach classes from 25 participants to over 300 per day depending on the activation and location and we will work with the event organiser to select the right activities for your audience. We work within existing theming and budgets to make your event or location stand out to your customers.

We have worked with many large events and organisations such as CitySmart (Green Heart Fairs and ReCreate Festival), Logan City Council, Westfield (various locations across SE QLD), Retail First centres and Vicinity Centres to name a few.

For a number of years, City Smart has worked closely with BrisStyle to deliver artistic elements, workshops and creative & artisan markets at our events such a Green Heart Fair, Recreate and EcoFairs. Belinda and the BrisStyle team are highly experienced in managing contractors with no better example than their ability to manage their membership base. The BrisStyle team are passionate about what they do and passionate about showcasing their artist members to Brisbane consumers.

Lizzie Willmont - City Smart Event Manager

ADULT CRAFT WORKSHOPS

With the hands-on revolution so on trend at the moment, our hosted adult workshops are a fun way for participants to learn a new skill whilst having a great time out with a friend or two. With facilitators that are leaders in their crafts, our workshops offer participants the chance to learn a new range of skills they would otherwise not be capable of plus take home a creation at the end of the workshop without having to purchase all the materials or make a mess in their own homes.

The BrisStyle team are an absolute pleasure to work with. Their creative workshops for adults sell out within minutes, while their children's school holiday activities have brought an additional 700+ kids to our Centres every week. Their workshops are popular, on-trend and excellent value for money. I highly recommend the BrisStyle team and look forward to working with them in the coming years.

Jade Head – Marketing Manager, Retail First

What do we provide?

- We plan and deliver all logistics for each workshop
- If required (for additional costs) we can liaise with all participants from the booking process through to the post-event wrap up
- A minimum of 2 trained, blue card holding facilitators at each workshop
- A selection of interactive workshop ideas and will consult with the venue before setting any schedules
- Adequate Public Liability (20mil), Professional Indemnity and Work Cover insurance for the workshops
- We promote the event in numerous ways throughout our social media and onsite events (marketing collateral will be provided by the venue or can be arranged for additional costs for us to design)
- Ensure staff are adequately trained and on-hand during the event to service customers in a timely manner and adjust to situations as needed (our workshops are all inclusive)
- We will ensure the venue is set up and ready on event day as per instructions (at the venues expense or can be arranged for additional costs by us)
- We are always happy to work within any theming or budgeting requirements
- All workshops are currently provided in individual kit form, meeting Covid safe requirements.
