Program & Events Report

Diana Bridge

Introduction

BrisStyle continues to engage and educate the local community through a program of Events, Creative Development Sessions and Workshops, and provides an opportunity for both members and non-members to participate in Markets and Events throughout South-East Queensland.

BrisStyle secured a 3-year contract with Brisbane City Council to continue facilitating the Brisbane Twilight Markets, 2016-2017 marks the second year of this contract. Although a reduction in funding saw the event decreasing to 4 times per year, we had the opportunity to have an extra date this period, making it 5 events. Also knowing that the event will be run for 3 years until 2018 enables BrisStyle to invest in additional infrastructure for the event.

Westfield has again engaged BrisStyle this financial year to host a variety of free workshops across centres including Chermside, Helensvale, Garden City, North Lakes and Carindale. We facilitated both adults and children's workshops across a variety of themes and activities.

City Smart also approached BrisStyle this year to run workshops at their Eco-Fair in September, organised by Sky Gate in the North-side of Brisbane. BrisStyle started working with The Workshops Rail Museum in Ipswich, by organising 4 markets a year with the intention to support and boost local handmade makers and their growing community. Brisbane City Libraries continues to be a great supporter of BrisStyle and has continued to engage BrisStyle to offer a series of Creative Development Sessions across their facilities, including the recently re-opened Wynnum Library. BrisStyle has hosted its own workshops within its new facility in Wynnum, engaging members to offer paid workshops as well as hosting free member catch up events

June 29	School Holiday Workshops – Pompom & Tassel Hangers	Westfield Garden City
June 30	School Holiday Workshops – Dream Catchers	Westfield Garden City

Overall, BrisStyle has continued to position itself as a leading market organization with a strong reputation for delivering quality goods and services.

With so many markets now available in Brisbane and it's surrounds, it is important that BrisStyle maintains it's point of difference as a 100% locally handmade market.

The positioning of our market dates around other markets is proving to be more important. 2017/2018 is shaping up to be another great year for both markets and events.

Supporters

BrisStyle Inc. would like to say a big thank you to its 2016-2017 supporters! Without the support of these large and small businesses BrisStyle would not be able to continue the way we do.
